

## INTERNATIONAL ASSOCIATION OF MACHINISTS AND AEROSPACE WORKERS DISTRICT LODGE NO. 19

---

November 1, 2023

Dear District Lodge 19 Members:

District Lodge 19 has voluntarily entered into an agreement with the Department of Labor to rerun our election, district wide, for the following positions:

- President/Directing General Chair
- Secretary-Treasurer

District Lodge 19 agreed to the rerun due to an issue involving last known addresses on a limited number of envelopes with a postal service return sticker. As is customary, the U.S. Department of Labor will directly supervise this rerun election.

Since this election is being run by the Department of Labor, we will be communicating more information regarding timing as soon as details are known.

District Lodge 19 has and, always will, be committed to fair elections and we appreciate your cooperation as we continue our tradition of union democracy.

District Lodge 19
