Subject: **Bargaining survey for all members under the National Freight Agreement**

Dear Machinists Union Brothers and Sisters of District Lodge 19:

As President Directing General Chairman of IAM District Lodge 19 I invite you to participate in a bargaining survey that will be used to prepare for the next Section 6 Notice which will begin negotiations for the National Freight Agreement. Your insights are crucial as we begin preparation for the upcoming negotiations.

We have provided three options to choose from for your convenience.

Please use the QR code or link below to access the bargaining survey electronically or you can print the attached PDF, fill it out and send to your Local Leadership or your General Chairman. Surveys that are sent to Local or General Chairmen will be sent to the IAM Strategic Resource Department so they can be combined with electronically submitted versions.

The following is a link to the web-based survey: <https://iamaw.checkboxonline.com/National-Freight-Agreement-2024-Bargaining-Survey>

The link and QR code will remain open until further notice to give everyone ample opportunity to complete the survey.

Feel free to reach out to me should you have any questions or concerns.

Sincerely and fraternally yours,

---
