OFFICE OF PRESIDENT DIRECTING GENERAL CHAIRMAN: REECE MURTAGH

October 5, 2024

Subject: CSX-T and IAM

Our members voted down the tentative agreement by 61%. In light of this outcome, we will return to the negotiation table to confront the critical issues that our members are demanding to be addressed.

We appreciate CSX's efforts to work with us in protecting our members' work and improving their quality of life. However, our members have clearly stated that this contract does not reflect the true value of their skilled labor. It is essential that we advocate for an agreement that recognizes and honors their contributions.

In Solidarity,

Reece Murtagh  
President/Directing General Chairman
