Subject: Section 6 Notice National Negotiations

Mr. Jeffrey F. Rodgers
Chairman National Railway Labor Conference
251 18th Street, South
Arlington, VA 22202

Dear Mr. Rodgers,

Please consider this letter as the usual and customary notice served in accordance with Section 6 of the Railway Labor Act and existing International Association of Machinists (IAM) agreements of our desire to revise and supplement existing agreements in the manner set forth in the Attachments hereto.

This Notice is being served on the National Carriers' Conference Committee (NCCC) as the authorized bargaining representative of the rail carriers that were listed on Attachment A of the NCCC's November 1, 2024 Section Six Notice served on the IAM, and will serve as our Section Six Notice on each carrier listed therein and such other carriers as join in national handling as if filed on each individual carrier.

Attachment "A" to this notice concerns wages and benefits; attachment "B" concerns health and welfare and Attachment "C" concerns common shop craft rules. Attachment "D" may be made up of local proposals for individual carriers and may be forwarded at a later date. We reserve the right to serve additional notices to be handled concurrently with this notice.

I agree the initial conference be waived. I will be in touch to set up a meeting that fits our schedules accordingly.

Sincerely,

Reece Murtagh
President/Directing General Chairman
