Subject: Disaster Relief for Southern California

Dear District 19 Members,

This letter informs you that disaster relief resources are available through the IAM Disaster Relief Fund. We are aware of the devastation in Southern California, which is facing multiple wildfires, and how it may have impacted some of our IAM members. Our thoughts and prayers go out to the families affected by the wildfires.

The IAM Disaster Relief Fund assists in situations where our members and their families endure hardships due to natural disasters.

If you have been affected by the recent devastation, please get in touch with your servicing General Chairman for assistance.

In solidarity,

Reece Murtagh
