November 3, 2025

Subject: Organizational Update

TO: District 19 Staff and Executive Board

Dear All,

After careful consideration and in light of the many changes occurring across the rail industry, it has become necessary to make some adjustments within the District's structure.

Effective immediately, the position of *Assistant to the PDGC* has been shifted. We are pleased to announce that Brother Kenny Krause has been appointed as the new Assistant PDGC.

I have the privilege of working closely with Brother Krause and am confident that he will excel in this new role, continuing to serve our membership with dedication and professionalism.

Brother Denny will continue in his role as General Chairman.

Please join me in congratulating Brother Krause on his new position and in continuing to support our leadership team as we navigate the ongoing changes in our industry.

As always, feel free to contact my office should you have any questions.

Sincerely and fraternally yours,

Reece Murtagh
